Important Announcement

To all Market Authorization Holders,

We would like to inform you that, in its meeting of **17.09.2024**, the Management Board of ΚΟΕΦ (Cyprus Medicines Verification Organization) has fixed the annual fee for **2025** to **EUR 3250 less 50%** + VAT where applicable.

Please note that the 50% discount is given at KOEF's discretion. Should any urgent needs arise during **2025**, KOEF reserves the right to request payment of an additional fee, up to EUR 1625 (+ VAT where applicable). MAHs will be informed accordingly.

Invoices will be sent to you starting from the first week of January. Please contact us, if you do not receive an invoice, for this annual fee.

We kindly ask you to settle the fee at your earliest convenience and not later than 30 days from the date on the invoice, to avoid implementation of additional charges.

We remain at your disposal for any clarifications regarding the above.

General Director ΚΟΕΦ
